Search

- Get quick facts and in-depth information on a wide variety of subjects.
- Start research projects with multiple resources in one place.
- Find multimedia to use in projects and presentations.

## AFTER SELECTING PRIMARY LEVEL

### Primary level

Explore, Play, Read, and Draw with Britannica Learning Zone.

The screenshot shows a game interface titled "Name the Image". It features a central image of a rocky, mountainous landscape with a large, rounded rock formation. Below the image is a question: "What does this picture show?". There are four orange buttons with white text: "meteor", "glacier", "gully", and "volcano". Below the buttons is a row of six icons representing different content categories: a white flower (ARTICLES), a black and white penguin (MEDIA), a landscape with a river (WORLD ATLAS), a mountain range (COMPARE COUNTRIES), a lion's face (ANIMAL KINGDOM), and a blue cloud with the text "Britannica Learning Zone" (FOR PRESCHOOL). At the bottom left, there is a small icon of a city skyline labeled "LEARNING GAMES".

#### Get more of Britannica School by:

Students can easily search for:

- articles
- rich media resources like images and videos
- biographies with advanced search options

## Middle level

A great way to learn new and interesting facts.

The screenshot shows the Britannica School interface with two main interactive sections circled in red:

- Compare Countries:** This section allows users to compare two countries. It features a search bar with "Indonesia" and "Papua New Guinea" selected. Below the search bar are two columns of country information, each with a flag and a brief description. The "Compare Countries" text is circled in red.
- Explore Biographies:** This section allows users to explore biographies. It features a search bar with "Era" and "Association" selected. Below the search bar is a list of biographies, each with a portrait and a brief description. The "Explore Biographies" text is circled in red.

Below these sections are two other features:

- Did You Know?:** A section with three cards, each featuring a historical figure and a fact. The cards are: "Thomas Jefferson and John Adams died on the same day (July 4, 1826).", "Different parts of the human brain do different jobs.", and "Edison invented a children's game for the first sound recording."
- Recommended Primary Sources:** A section with a heading and a list of primary source materials, including "Found letters, speeches and other U.S. primary source materials, including documents specified in state standards." and "Franklin D. Roosevelt's speech to the second Virginia Convention (1776)."

Through Discover Britannica! students can:

- look for biographies
- use "Compare Countries" tool
- learn interesting facts through "Did You Know"

FOR IMAGES RELATED TO TOPIC CHOSEN, ONE CAN CLICK OVER THIS OPTION TO REACH VAST REPOSITORY OF IMAGES

The image shows a transition from a text-based search result to an image-based repository. The top screenshot is from Britannica School, showing a search for "galaxy" with a sidebar of content types (Articles, Images, Videos, Dictionary, Ebooks, Journals, Best Sites) and a search result for "galaxy (astronomy)". A green arrow points from the "view your search in ImageQuest" link to the bottom screenshot. The bottom screenshot is the Britannica ImageQuest interface, displaying "Your search for 'galaxy' returned 3,053 images." It features a grid of image thumbnails with captions such as "Galaxy", "The Great Andromeda Galaxy", "Andromeda galaxy", "Hercules Galaxy Cluster Core", and "Artwork of nine types of galaxy".
