

"At the end of the day the most overwhelming key to a child's success is the positive involvement of the parents."

During the Pandemic of Covid 19 and as online classes were to go on an "Orientation Program" was held online for the parents of Pre Primary, of V.V.D.A.V.PUBLIC SCHOOL on 2.7.20.

The orientation began by chanting of the 'Gayatri Mantra', followed by a hearty welcome by the sculptor of our School Principal Mrs. Shalini Arora. She emphasized that in spite of the pandemic we have to continue with the teaching-learning process through online classes. Vedic culture amalgamated with modern ideas is the mission of our unique curriculum. She shared the innumerable laurels won by our bright students exhibiting that our institution is among the best.

The Captain of the team, Supervisory Incharge Mrs. Anju Singh followed. She briefly introduced the team of Pre Primary Teachers and explained that in the present day scenario teachers have become content curators, and parents are stepping up as Proctor's. Every home has become a school, and every parent a Teacher. She appreciated the co-operation of the parents during online classes and encouraged them by saying "When the going gets tough, the tough get going." Her main message was to convert adversity into opportunity.

Mrs. Shruti later explained about the new application of 2 Xcel and how DAV'S have been blessed to have this at a minimum cost.

Mrs. Anju Singh answered some of the queries of the parents, and some parents took turns to share praiseworthy words about the painstaking efforts made by teachers during online classes.

The programme ended with the Shanti Path. All parents were overwhelmed with joy as they knew that their little cherubs were in safe hands and would grow up to be worthy human beings.
