Dear Parent

During the academic session 2025-26, the school has focused on the overall academic, co-curricular and personality development of students, made possible through the continuous efforts of our teachers and the valuable cooperation of parents. The school sincerely appreciates the strong teacher-parent coordination, which has played a vital role in students' progress and learning outcomes.

In continuation of the school's commitment to holistic development, our students have also brought laurels to the institution through their outstanding performance in sports at the national level. In Football, the U-14 Boys team secured the Bronze Medal, while the Under-19 Boys team won the Silver Medal. In Taekwondo and Judo our students bagged Silver & Bronze Medals. Our athletes excelled in Rope Skipping and won two Gold Medals.

Admissions for Pre-Nursery, Nursery and LKG classes for the session 2026-27 have started. We are pleased to share that the Primary Wing is now Air Conditioned. Select classes in the Senior Wing will also be air conditioned. New CCTV cameras have been installed in all the classrooms and the corridors of the school (with centralised control room). Grill has been installed on all floors, providing more security to the students.

Now it's time for the year end examination, we wish the students to remain composed and prepare well and stay away from stress.
